REQUEST FOR BADGE ACHIEVEMENT CERTIFICATE

Members of the 1-26 Association who earn FAI Silver, Gold or Diamond Badges entirely in a 1-26 are eligible to receive a beautiful certificate for their achievement. Those who qualify must request this certificate from the Association Record Keeper and provide the information needed to fill it out.

The actual FAI badge legs, approved by the SSA (or foreign aero-club), must have been flown in a 1-26. You do not need to have been a member of the 1-26 Association when the legs were flown.
